Quietly located country house near the Cueva Negra (black cave) in Fortuna. The property has no fewer than 5 bedrooms (15m², 14m², 11m², 8m² and 13m²) and 1 bathroom (4.6m²) and is completely detached on a huge plot of over 20,000m²! This is quite exceptional in this region. Ideal for people who want to start a camper van site at home, for people who want to keep animals, or simply love peace and space. The spacious 42m² living room is currently only accessible from the outside, but this can easily be solved by creating a passageway from the living room to the rest of the house. It...(Ask for More Details!)
